Crystal Masters

You Think ... We Deliver

Crystal Masters LLC started as a creative place with core expertise in crystal production field which established in the Emirates of Abu Dhabi, U.A.E. in Feb 2019, through professional team which are having more than 14 years experience in the Crystal & Metal trophies in UAE & GCC.

We are a platform of young talented people who innovate, experiment, and implement unique ideas.

We consider ourselves as a one of the leading Crystal manufacturers in Abu Dhabi, procuring fine raw materials for our products and in-house designers.

Our products range is big including but not limited of: Awards, Vases, Islamic Creations, Crystal Gifts, Laser Engraving, 3D Buildings, Trophies & Plaques to Customized projects for any Special event.

A well-developed infrastructure supports us to meet the exact expectations of our clients. We utilize the technology to fabricate our product range well and give the best to our clients.

WHY *Crystal Masters*?

- Most competitive pricing.
- Best quality.
- Professional & Skilled team.
- Quick delivery period.
- Unique designs & options
- After sales services.
- Aiming for customer satisfaction.

With the above mentioned points, we can successfully help our clients to reach their goals easily.

We think that in today's market, Crystal Trophies & Awards cannot be restricted within conventional ideas only but requires looking beyond the obvious.

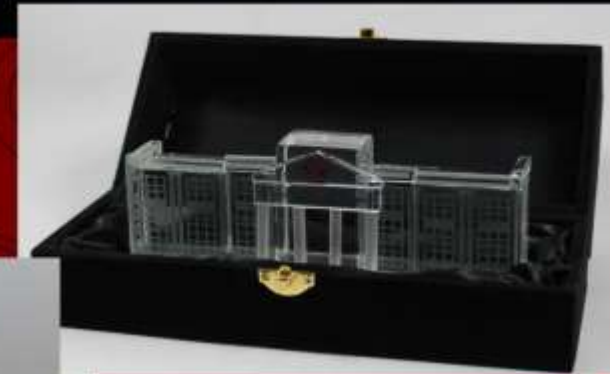

Our sole objective is to work effectively to deliver crystal gifts that bring tangible business benefits and build long term business value.

3D Models

The beauty of Crystals can be shown in 3D customized models for any real building or item like the following:

Unique & perfect designs implementations

Crystal & Metal

One of the most beautiful trophies combination in our range is the combination between the Crystal & Metal

Heritage

Another side of our collection is the Heritage items which reflect a true value of our products

Metal trophies

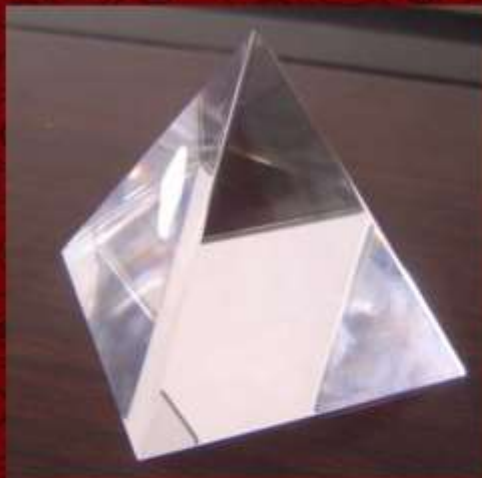

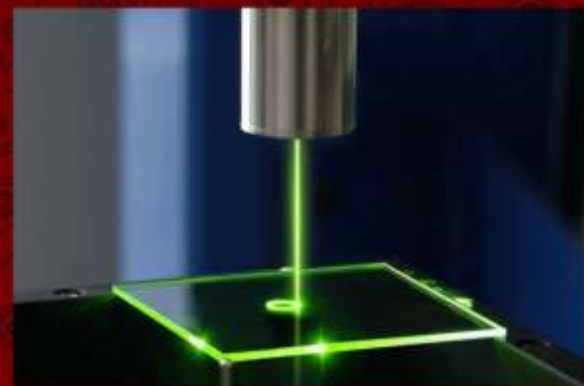

Since we are talking about VIP trophies,
We have to mention METAL ones..

Crystal trophies

Crystal trophies are one of the most common items in our collection which present the beauty of light reflection
